HS codes: India export and import by destination

Product	India (export)	USA	UK	EU / Netherlands	UAE · Saudi Arabia (GCC)*	Japan
Coco peat / coir pith (blocks, bricks)	5305 00 40	1404.90.90.90	5305.00 or 1404.90†	5305.00 or 1404.90†	5305.00 or 1404.90†	5305.00 or 1404.90†
Coir fibre	5305 00 10	5305.00.00.00	5305 00 00 00	5305 00 00 00	5305.00	5305.00-000
Curled coir	5305 00 30	5305.00.00.00	5305 00 00 00	5305 00 00 00	5305.00	5305.00-000

Codes are indicative; the importer's customs broker confirms classification. † US Customs (CBP) rulings classify coco peat under 1404.90.90; we found no official ruling for the other markets, so the heading (5305.00 or 1404.90) and national digits are confirmed per shipment. * GCC: 6-digit HS shown; national digits confirmed per shipment. Grow bags and husk chips: classification confirmed per product. Sources: USITC HTS; CBP rulings HQ H061739, NY N241191, NY N270127; UK Trade Tariff; EU TARIC; Japan Customs tariff. Checked October 2026.

Specifications are checked with our manufacturing partner for each order. Other grades, sizes and packing on request. This sheet is not an offer or contract; prices and terms are issued on a proforma invoice.
